## **Tweens**

### Introductory (girls 9-14 years old, grades 3 - 8)

Tstreet’s “Tweens” program is designed to bridge the gap between our “Youth Clinics” and “Club” Volleyball. Tweens participants receive quality instruction two times a week, a Tstreet T-shirt, and compete in Inner Club Scrimmages. Most Tweens athletes go on to play Club Volleyball, and a single season of Tweens volleyball is often enough preparation to earn a roster position. Tweens is an introductory program, but practices are serious, and participants are expected to work hard, improve, and have a great time. Playing time is shared among all players. There are no tryouts for Tweens - all interested players will be placed on teams on a “first-come, first-serve” basis. [Sign-up early as we have limited spots available.](#)
